👁 17 ✓ 1 ⭐ 2

Chapter 1 by Olive

I was driving down the street when I saw a dog almost get hit. A car came racing down the road, turned without loosing any speed. I gasped and stomped on the breaks as the car was now in front of me. I jumped out of the car to go see the dog. I was too late. The dog was already running into the forest like nothing happened.

Chapter 2 by Sfields71807

I went to find that dog I saw. She was only a puppy so that was scary to see. I called and called for her but didn't find her.
